

INFORMATION BULLETIN 04/2006

SUBJECT : TEMPORARY SUSPENSION OF OPERATION IN UAE
ORIGINATOR : REGULATION & INVESTIGATION SECTION
STATUS : MANDATORY
ADDRESSED TO : DEPARTMENTS OF CIVIL AVIATION
AREA CONTROL CENTRE
DATE : SATURDAY, 01st APRIL 2006

We wish to inform you that the GCAA is conducting an investigation into the operators as annotated in the attached list for one or more of the following reasons:

- a) Allegedly not meeting the required safety standards for aircraft operations;
- b) Allegedly lack of safety and regulatory oversight by State of Registry/Operator;
- c) Allegedly basing and operating aircraft in U.A.E. without authorization;
- d) In keeping with Article 33 of the Convention on International Civil Aviation.

Therefore, and in the interest of aviation safety and security, it is requested that any aircraft using the attached listed call sign and/or aircraft operating under the name of the suspected operator shall be suspended until further notice. In view of the foregoing, if the said aircraft are at your airport, kindly advise the GCAA after taking the necessary grounding action.

Assuring you of our best cooperation at all times and appreciate your effort in promoting flight safety and security.

MOHAMED GHANIM AL GHAITH
DIRECTOR GENERAL
