

## Information Bulletin Number 07/2004

**To** : UAE DCA's & All Concerned  
**From** : DIRECTOR GENERAL  
**Reference** : 20212/0635/04  
**Date** : 16<sup>th</sup> February 2004  
**Subject** : ILYUSHIN IL-18 PASSENGER OPERATIONS

Please be advised that the GCAA has been advised by the State Civil Aviation Authority of the Ministry of Transport of the Russian Federation that Ilyushin IL-18 aircraft are no longer type certificated for passenger operations.

Therefore, with immediate effect, all IL-18 aircraft are prohibited from planning to enter or to operate in the airspace and territory of the UAE on passenger carrying operations.

This directive shall remain in force until rescinded, revoked or modified.

Best regards,

  
MOHAMMED GHANIM AL GHAITH  
Director General
