

Information Bulletin Number 10/2002

To : All UAE Departments of Civil Aviation
From : Director General
Ref. : 20212/ 2380 /02
Date : 31 July 2002
Subject : Unregistered Aircraft based in UAE Airports

The GCAA is carrying a survey of all UAE airports in order to have a status of the follows;

- Unregistered aircraft.
- Registered aircraft without C of A.
- Registered aircraft which have not flown in last 60 days.
- Aircraft of unknown status.

As you are aware each aircraft shall have registration mark as assigned by ICAO contracting state, the state which aircraft is registered shall carry out airworthiness and operational control over the aircraft.

Therefore you are kindly requested to submit to the GCAA a list of the aircraft mentioned in the above listing stating the follows:

- Type of aircraft
- Previous registration
- Manufacture / Serial number
- Previous owner and address
- New owner and address

All this information to be submitted to Mr. Ahmed Al Haddabi, Director Flight Safety, GCAA.

Please do not hesitate to contact Mr. Ahmed Al Haddabi if you have any further questions.

Best Regards,

MOHAMED GHANIM AL GHAITH
DIRECTOR GENERAL
