

Information Bulletin Number 13/2003

To : **All Operators/Maintenance Organisations/
Aeromedical Examiners**

From : **Director Flight Safety**

Ref. : 20212/1347/DXB/03

Date : 15 April 2003

Subject : **Appointment of Aeromedical Inspector**

As part of the continuous reorganization of the GCAA to provide a more effective and efficient service to the aviation industry, we have appointed a GCAA Aeromedical Examiner under the Licensing Aeromedical Section of the Department of Flight Safety Services, reporting to Chief of Licensing.

Dr. Hussain Pervaiz is an Aerospace Medicine specialist and is a graduate from the Wright State University Aerospace Medicine and Residency programs, Dayton, Ohio, U.S.A. He has been affiliated with the Royal British Air Force, Royal Australian Air Force, United States Air Force, Aerospace Medical Institute of the FAA, and NASA.

He is a graduate of the Aviation Safety Program from the Institute of Safety and Systems Management, University of Southern California, and the Aircraft Accident Investigation program for the FAA investigators with the Department of Transportation, Oklahoma City, Oklahoma U.S.A.

...contd..pg..2/-

He has been Aeromedical Consultant with Safety Services International, a Seattle, Washington based Aviation Safety Consultancy firm, and a registered Aeromedical Examiner with the GCAA for the past two years.

Effective immediately any correspondence regarding Aeromedical affairs must be directed to; **Dr. Hussain Pervaiz, Aeromedical Inspector,**
Licensing Section, General Civil Aviation Authority, U.A.E.
